

Mp3 The J Michaels Band - Collaboration

[DOWNLOAD HERE](#)

The J Michaels Band uniquely covers classic funk, rock, standard, and dance styles, as well as love songs, current tunes and fantastic originals. 12 MP3 Songs EASY LISTENING: Love Songs, EASY LISTENING: Soft Rock Details: A truly dynamic show band, often referred to as must see live for the look, sound, feel, and experience they bring to audiences. The J Michaels Band features the powerful lead vocals of J Michaels, an incredible entertainer who effortlessly shows versatility in musical styles, accompanied by some of the most talented musicians and backup singers. The J Michaels Band has adopted an all live principle: If you hear it, its being played no tracks, no sequences, its all live.

Manila-born J Michaels, formerly of the Sultans, has shared the stage with legendary rock artists like Ambrosia, Terry Sylvester (formerly of the Hollies), John Ford Coley, Yvonne Elliman, Gary Puckett, and Stephen Bishop. The 2004 release of "Collaboration" features fantastic guest artists and producers from Hawaii and beyond Saxophonist Extraordinaire David Choy, Swedish producer Henry Bergstrom, Storyteller/Songwriter Gordon Freitas, Vocalist Willie Aarona (formerly of Ho'okena), and International HitMixer DJ Jimmy Taco, just to name a few.
