He is from Sedona AZ. Over the past 25 years hes been a partner of two international trading firms, a yoga teacher, national spiritual seminar leader, poet, musician and is the author of the book Listening to the Sun. That Started a 25 year journey of spiritual study. Tobias spent time in India with a master teacher, studied shamanic practices with Native American free beings, heart centered Tantra, ego confrontation, the path of divine romantic love and with the help of a mentor opened back up to the energies of the nature kingdom of Pan and the Devic Kingdom. During this time Tobias Lars also received a Masters Degree in International Business and founded ventures in international business. A few years later another series of 'wake up calls' came through business 'failure', divorce and bankruptcy. He next spent a period of 5 years away from the day to day world going through another level of awakening of the soul. Much of what he believed and thought he 'knew' - especially ideas of what spirituality really was - and what was previously held as reality, was transformed-exploded-shifted. Soul counseling The Sanctuary for Souls Courses are his wish and contribution for assisting others who wish this same awakening of their souls. People who are interested in Osho Eckhart Tolle should consider this download.
