

Mp3 Visnja - Kitchen Fairytales

[DOWNLOAD HERE](#)

Modern Folk and New Age influences with the accessibility and crossover of Pop. Uplifting, bittersweet songs about magical faraway places and domestic life featuring soaring vocals, piano, tin whistles, harps and a touch of gentle electronica. 13 MP3 Songs FOLK: Modern Folk, NEW AGE: New Age Details:

Visnja (pronounced Vish-nya) is an award winning Australian singer / songwriter and producer. Through her engaging live performances and beautifully crafted recordings, Visnjas emotional and haunting music reaches out to many different types of listeners. She has performed her original music on national television and received personal congratulations from the Malaysian Royal Family. Her songs feature vocals, piano, tin whistles, harps and ukulele, all of which she performs herself. She is currently working on a short film score and developing her online business visnja.com.
