A BALANCED MIX OF MODERN AND TRADITIONAL COUNTRY WITH A FEW SOUTHERN ROCK SONGS TO BOOT. 12 MP3 Songs COUNTRY: Modern Country, COUNTRY: Traditional Country Details: Wade was born in Lilburn, GA and was influenced by early pioneers like Waylon Jennings and Merle Haggard, and other greats like Alan Jackson, Kenny Chesney and Tim McGraw. He moved to Nashville in 1997 and has been writing, singing, and recording since planting roots here. Although he tends to write songs that are more traditional, Wade's style tends to be quite diverse in sound. Wade currently resides in Smyrna, Tennessee and continues to pursue his music career. You can catch his performances at the Bluebird cafe, Pie in the Sky pizza, and other songwriter venues around Nashville. This is Wade's sophomore independent CD release and shows his growth as a writer and singer. He teamed up with co-writing pals Steve Rizzo, Dan Couch, and Craig Monday on several songs on the CD to pen some of his favorite songs to date. Wade is extremely excited about this cd and wishes to thank his producer Gary Dibenedetto for his patience and dedication to the project. You can also check-out Wade's earliest project on CD baby. For a more in depth view of Wade's music career look at the biography on the original CD page. We hope you enjoy the new cd!
