

Religious Experience, Justification, And History

[DOWNLOAD HERE](#)

Religious Experience, Justification and History restores neglected explanatory and historical considerations to the debate. Recently, many philosophers of religion have sought to defend the rationality of religious belief by shifting the burden of proof onto the critic of religious belief. Some have appealed to extraordinary religious experience in making their case. Religious Experience, Justification and History restores neglected explanatory and historical considerations to the debate. Through a study of William James, it contests the accounts of religious experience offered in recent works. Through reflection on the history of philosophy, it also unravels the philosophical use of the term 'justification'. Matthew Bagger argues that the commitment to supernatural explanations implicit in the religious experiences employed to justify religious belief contradicts the modern ideal of human flourishing. For contrast, and to demonstrated the indispensability of history, he includes a study of Teresa of Avila's mystical theology. The controversial supernatural explanations implicit in extraordinary religious experience places the burden of proof on the believer. EAN/ISBN : 9780511035289 Publisher(s): Cambridge University Press Format: ePub/PDF Author(s): Bagger, Matthew C.
