

# Sex, Mind, And Emotion: Innovation In Psychological Theory And Practice

[DOWNLOAD HERE](#)

Recent decades have seen a decline in the emphasis on sexuality in psychoanalytic theory, whilst clinical psychology has become more involved in sexual health issues. Sexuality remains at the core of human experience and where there are psychological and psychotherapeutic treatments, there will be sexual issues to be addressed. Sex, Mind, and Emotion is a collection of predominantly clinical papers, exploring innovative work in the field. The central tenet of the book is that sexual behaviour cannot be divorced from the emotional context in which it occurs or the meaning of that behaviour to the individual and therefore no chapter is about sex without also addressing mind and emotion. Publisher: Karnac Books
