An adventuresome immingle of soft and orchestra that stirs deep emotion. It provides a nurturing environment for your wanted memories to skin-deep Only when you research deep within your heart can the treasures of your soul be found 9 MP3 Songs NEW AGE: New Age, EASY LISTENING: Background Music Treasures of the Soul. Songs Details: Treasures of the Soul was released in the fall of 1996. Minnesota's newest pianist and composer, Aldo, exploded on the scene with passionate and captivating arrangements of original music. Treasures of the Soul is an adventuresome immingle of soft and orchestra that stirs deep emotion. It provides a nurturing environment for your wanted memories to skin-deep Only when you research deep within your heart can the treasures of your soul truly be found. The heartfelt passion of the music will lead you in the research for your wanted memories. Your journey is enthralling, sweeping your subconscious along a mystical bay. The sky is on fire as the sun sets, ocean waves rush ashore, erasing your footprints as you walk along in the Sands of Time. Your journey continues, taking you Out to Sea. Back to a time when adventure was a grand ship sailing the high seas. The salty breeze and gentle rocking, quiet your restless soul. Treasures of the Soul was recorded at Raptor Studios in Fargo, North Dakota. Raptor Studios is part of the Midwest's newest independent record label, Barking Dog Records, that combines elements of very different musical worlds: classical, contemporary, folk and blues in an imaginative arrangement and flawless production.
