Ava's voice brings out the beauty, power and nuances of each of these tunes, ranging from country, to folk, to rock. 14 MP3 Songs COUNTRY: Country Rock, FOLK: Power-folk Details: Ava's voice is gorgeous, strong, and deeply expressive. She gives each tune her intelligent and committed interpretation, whether it's to give in to the fun, the seduction, or the anger that the song demands. You'll hear "Pleasant Street" by Tim Buckley, with its cryptic chorus, "Hey Baby" by Derek St. Holmes that pulses with sexual energy, the tune "Yas Yas Yas" with its great syncopation and alliteration, and Meg Keene's beautiful paean to her mother, "Hymn to Her". Ava's poignant version of Leadbelly's "In the Pines" draws out all the drama while her version of his "When I Was a Cowboy" brings out all the fun. The accompaniment of the band, American Anthem, underscores, augments, and completes this incredibly moving album! Let it wash over you.
