Prize-winning songwriter Bea picks and sings her original fun songs for young audiences and the young at heart. Learn about the critters, be inspired by Aesop's fables, sing and laugh along. 22 MP3 Songs
KIDS/FAMILY: General Children's Music, KIDS/FAMILY: Kid Friendly Details: Bea Scribner has won multiple awards for her upbeat educational songs. Three first-place songs appear on "Jammin' with the Animals" including "Skunk Rap" which she sang live before the Hyannis Pops By The Sea concert in 2004. Bea has gained recognition as a superb songwriter from many places including Mass Audubon. She writes songs for their programs and her "Horseshoe Crab Song" single sold out! Young and old alike enjoy Bea's rollicking journey through the world of air, land and sea critters. "Jammin with the Animals" includes over 150 facts about earth's creatures and infinite fun! The songs range from sassy or funny to sweet or uplifting. The CD includes a beautiful illustrated booklet for read-along or sing-along.
