

Mp3 Beat Cowboys - Country: Country Rock

[DOWNLOAD HERE](#)

Heavy Roots Rock straight out of the Southwest. 5 MP3 Songs COUNTRY: Country Rock, ROCK: Roots Rock Details: The Beat Cowboys are hard to define. Some folks think the band is miscatagorized as a Country act, and while the Beat Cowboys hold their own alongside the heaviest of groups with their energetic live show and airplay, they find their roots in the Country world. Although the bands earthy, crunch driven sound has led to the unexpected crossover of the Beat Cowboys to mainstream rock and roll, they still retain the essence of the Mesilla Valley, New Mexico / Texas, the bands home.
