Experimental emo and folk rock with electronic backbeats. 8 MP3 Songs ELECTRONIC: Experimental, ROCK: Emo Details: This is the first effort by a singer/songwriter from Arizona. With a mixture of electronic, folk and emo this record is a step away from the homogenized sound of the current emo music scene. The entire album was recorded in home studio, which gives it a unique character. Try this out if you're a fan of music in general, or bands like Magnetic Fields, Neutral Milk Hotel or Big Audio Dynamite.
