

Mp3 Chris Alvino - Lies

[DOWNLOAD HERE](#)

His second album rolls with a passionate, subtle, melodic folk style 10 MP3 Songs FOLK: Folk Pop, FOLK: like Joni Details: chris alvino has done it again but better. this new album was recorded at his home. no words were written and no music composed. all on the fly recordings mixed later in the studio where other instruments were added. chris plays piano on this album. just starting on the pianowhats next? the next album called pushing buttons is being recorded and due out next year. lies is a wonderful follow up to his first album "go". a musical Leap!
