Gospel music, with a r&b, and with a contemporary flavor including soulful sounds, and pop. The music is positive food for thought. 10 MP3 Songs GOSPEL: Contemporary Gospel, URBAN/R&B: R&B Pop Crossover Details: Curtis Walker, a former marine sergeant, was born in Savannah, Georgia. He has taken a serious endeavor into the world of Gospel and Christian music. Curtis brings with him an array of many styles of music such as, pop, R B and contemporary all rolled up into one. If you want to hear some very exciting, clean, finger-popping, toe tapping, make you feel good to your bones Gospel music, then listen to this new artist and the message that he has for your soul. Curtis is asking that all Military Branches of the services and civilians purchase a copy of his CD and hopefully that will generate enough monies to donate to some worthy causes. Such as giving back to the poor through Oprahs Angel network. Please understand that this is a gospel CD, but he could not complete this CD without singing something about the good works god has bestowed upon Oprah. So he wrote this song (We Love You Oprah) a tribute to her inspiring love for people all around the world. Curtis Walker speaks for millions at home, and abroad that want to speak, but cannot speak for themselves. However, the CD is a positive and uplifting CD. In conclusion Curtis would like for you to pay special attention to songs. We Love You Oprah, I Surrender, Ill Be By Your side, Carry On, and the rest of the songs if you will. Curtis would like to express good health, and peace to you and all people around the world. Thank you God for keeping me and my family sound and well. Lord I could not have made it without you, and I ask and pray that you bless this CD. You can order this very exciting CD by writing to his record label Feel Good Records PO Box 5846, Deltona, FL. 32728-5846.
