Satirical, yet clean sketch comedy - like hearing your favorite old issues of MAD Magazine with today's politics. 22 MP3 Songs SPOKEN WORD: Comedy, SPOKEN WORD: Sketch Comedy Show all album songs: Del Rivers Chuck McCoy's Comedy CD Songs Details: Del Rivers, in a change of pace, has created a comedy CD with fellow disc-jockey/comedian Chuck McCoy. Dels last CD The Del Rivers Story hinted at the possibility of him putting together a comedy collaboration. Del Chuck are no strangers to comedy, as Del used to make funny tapes with DJ Mike Murray (of Whole Lotta Shakin WITR-FM); and Chuck McCoy recorded various bits throughout his career as a DJ in Buffalo, NY and other Upstate, NY markets. The Comedy CD was given a special artwork design by famed inker/cartoonist Ken Wheaton (Simpsons Comics) in a Beatles Sgt. Pepper design. The humor aspect of this album is in the vein of satire - like a classic issue of MAD Magazine. Normally, Del Chuck work on independent radio programs, as well as various stand-up routines, songs, and cable television programming. In fact, many of the parody characters (real and imaginary) frequently make appearances on their internet radio program Vinyl Vortex on Live365. We hope you will enjoy the radio bits, sketches, fake commercials, and political humor on this limited edition compilation.
