Dialogue is a hybrid between the open and free funk style of the Rocky Mountains and conscious Hip-Hop. 12 MP3 Songs HIP HOP/RAP: Alternative Hip Hop, ROCK: Funk Rock Details: Dialogue is a five piece progressive hip-hop group based out of Durango, Co that meshes various influences and genres of music to create a unique sound. A truly live band formed in June 2003 that has since set out on an empowering mission to breakdown boundaries and destroy stereotypes from the stage. Through the eclectic sound and conscious, almost conversational lyrics Dialogue's live shows are somewhat distinct. If one was able to take critical thought, compassion, sarcasm, aggression and your local anti-war protest to a party, back it with a live band, put it into words and get it drunk, you'd be at a Dialogue show. It is quite simply about taking humanity's afflictions and the contradictions we all live with and molding that into something positive that will create change and provoke thought all amidst having a good time. Dialogue is not overly concerned about keeping it real, hard, overly positive/negative, politically correct or whatever else. It's about keeping it honest and close to the heart, and that is the way it needs to be. It's Hip-Hop With Instruments And A Purpose
