

## Mp3 Jiva - The Ladder

[DOWNLOAD HERE](#)

Post garage rock infused with hooky choruses, layered guitars and solid beats. If Bowie was The Strokes he'd sound like JIVA. 11 MP3 Songs ROCK: Modern Rock, POP: British Pop Details: "The Ladder" is the second CD Baby release by the Washington, DC area band JIVA. It's a set of songs stripped down to their basics - a solid beat and a good tune. The band consists of Sam Wagner (vocals, guitars, etc) and Marc Hutzell (guitars, backup vocals, etc). JIVA has produced a number of recordings over the years including the 5 song EP "The Antic" (2001) and the full length cds "Nightfall" (2002) and "Whirlwind" (2003). For more info and mp3's from previous releases visit the JIVA website at [jivaus.com](http://jivaus.com)
