The hottest rap compilation of 00/01. This is the new era the Damali Family is bringing it to the streets with original styles and beats. 11 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: East Coast Details: Although, Download is Damali Records' (Discover All Music And Learn Infinitely) first album, the company has been together since 1997 and the artists have been performing and recording together even longer. The Knotz, who are blood brothers, have been a group since 1990 and the rest of the artists have been together since about 1995. The bond between the Damali Family is not one made by the recording industry but one made by the street making their music more real and their team superior to label-made groups. The Damali Family differs from many of today's rap groups, what sets them apart are their rugged beats, unique style and business attitude. Damali strives to create quality products that will not only satisfy but leave customers in awe.
