

Mp3 Mara's Torment - Dreams Like Mine

[DOWNLOAD HERE](#)

dark and ambient soundtrack styled instrumentals, suitable for haunting walks at night and Halloween-styled lovin'... 13 MP3 Songs ELECTRONIC: Ambient, ELECTRONIC: Soundscapes Details: "mara's torment has succeeded in creating the perfect soundtrack for those late night sessions of introspection to which we all succumb." - Carnell/ Carpe Noctem "dreams like mine is a beautiful album in it's entirety, and any lack of effort to acquire this would surely be an inexcusable mistake." DJ Antithesis /Playlist Review "It's beautiful compositions mesh perfectly with a natural backdrop of the earth cleansing and revitalizing it's teeming variety of life almost like it was meant to be a soundtrack." - Chris Christian/ Sonic Boom Online Reviews "Melodic, moody, ambient electronic music, which is both inspirational and scary...well worth checking out." - Simon Perkin/Electrotrauma "maclean has captured this unfiltered music brilliantly on his first CD." - Karen Collins/ Effigy "dreams like mine is one of the finest instrumental electronic pieces I have ever heard. Rik MacLean has outdone himself on this one; this is a true masterpiece." - Scott Mallonee/ Grinding into Emptiness
