

Mp3 Matt Curreri - I'm No Army

[DOWNLOAD HERE](#)

A beautifully intimate lo-fi album from one of America's loveliest song crafters. 11 MP3 Songs ROCK: Emo, POP: Quirky Details: If you like "How to Play the Songs of Matt Curreri", consider getting your hands on Matt's earlier, mellower, more humble masterpiece, "I'm No Army". Paul Curreri fans might note that Paul plays piano and guitar on "Now It's Up to You". If you buy it because of that, I'll give him a buck or two next time I see him.
