

Mp3 Mike Macharyas - Avril Lavigne

[DOWNLOAD HERE](#)

An entire experimental album crafted out of absolutely NOTHING. Relying only on the power of repetition, Macharyas mocks pop culture with a hilarious take on ambient music. 14 MP3 Songs NEW AGE: Ambient, SPOKEN WORD: Comedy Details: NNMaddox and Jimmy Haig superstar Mike Macharyas releases his debut album of nonsensical repetition with "Avril Lavigne" Listen and learn from the man himself as he tackles the names of revolutionary figures such as Andy Warhol, Jesus Christ and Johnny Appleseed. Macharyas will then show you his softer side with "Lindsay Lohan" and "Sharon Stone" and prove to the masses that not only does this guy have soul, but he knows how to treat a woman right. Make no mistake about it-Mike Macharyas is a man that likes to keep short and sweet. Directly to the point, if you will. At no time on this album does the legend stray from his subject's name. No sir, Mike Macharyas devotes all of his attention to his art. No guitar solos, no verses, bridges, choruses-OK? This is Mike Macharyas, reprising his role from The Jimmy Haig Experience. You thought you liked "David Bowie" and "Literary Pocket Rocket" didn't you? This will blow you away.
