

Mp3 Natali Rene - Right Now/ahora

[DOWNLOAD HERE](#)

Check her now. Dis some good shi...she'bout to get scooped up. 13 MP3 Songs URBAN/R&B:

Contemporary urban, LATIN: Latin Pop Details: NATALI RENE is ready Right Now/Ahora While Natali is a Latina, her roots go deep into black music. This album is a mix of songs that reflect all of her musical influences. And when it came time to record the independent release Right Now/Ahora, Natali gathered an impressive group of renowned artists to contribute to the CD, including members of such notable bands as Marc Anthony and Tower of Power. Together, it adds up to a collection of music that turned out!!
