Music is the best medicine for helping you get through a hectic day and the Music To Swear By CD by Rick Quarles with its concoction of creative song lyrics and a variety of musical styles is just what the doctor ordered but watch out, its addictive. 14 MP3 Songs SPOKEN WORD: Musical Comedy, POP: Party Pop Details: Feeling stressed, angry, disappointed, or depressed? My Music To Swear By CD will let you channel your unhealthy feelings through melodies, humor, rhythm, and dance without giving you drowsy side effects. Overworked? The rock song Stressed For Success helps make you feel that youre not alone. Stuck in traffic for hours, listen to the smooth and swaying Traffic Jam Samba song and youll be dancing inside (or maybe even outside your car, under the stars). Feeling unappreciated and over-pressured, how about the Under Duress Blues. Ever lost something, listen to I Cant Find That while you look for it. Ever been stuck in a holding pattern on the phone, listen to some sound waves surf music in Im Stuck On Hold And Hanging Ten its a lot better than the usual telephone/elevator music. Got anger problems, just take an Anger Management Course By The Mambo Man and youll forget about getting mad and have fun while youre at it. Feeling frustrated, learn the Frustration Slide youll not only feel better, but get some exercise, too. Problems with time management, take a listen to Ive Been Doing My Time, But Now Time Is Doing Me and you can do some toe-tapping, foot-stomping dancing enjoying yourself while time is speeding by. Tired of getting an email box of spam, listen to the haunting music of Spammed If You Do And Spammed If You Dont while youre deleting it itll make it seem more relaxing and fulfilling. Feel like nobody appreciates you or thanks you for doing nice things, listen to My Random Acts Of Kindness and see that it could have worse effects and still make you feel good inside. Feel like getting away from all your problems, listen to the hip hop sounds of Thinking Outside Of The Inbox and the reggae song Heaven In The Sea and book your mind on a trip to paradise. Plus, The Teacher Song is

a special song for all the teachers, want-to-be teachers, and dont-want-to-be teachers out there (its really for everyone whos ever tried to teach anyone anything). These songs will give you a healthy dose of music to help cure all your headaches and problems. After all, Music Really Soothes The Soul! There's no profanity contained in the lyrics of these songs (if you really must swear, you can furnish your own words to the beat of the songs). Its also great for gifts, weddings, retirement parties, therapy groups, business meetings, classes, traffic jams, family reunions, roasts, layoffs, firings, and during tax season! If you like this CD, you'll want to check out my Science On The Wild Side CDs and learn nature and science while you listen, sing, dance, and laugh.
