

Mp3 Riding Paper Airplanes - Pop: With Electronic Production

[DOWNLOAD HERE](#)

A creative blend of live and electronic sounds with rich vocals, set to creative energetic beats with hook-driven melodies. 11 MP3 Songs POP: with Electronic Production, ELECTRONIC: Pop Crossover Details: Emerging from Seattle, Washington, Riding Paper Airplanes is the debut solo project of John Wu. Drawing upon influences ranging from pop songs to movie soundtracks, the debut release of Riding Paper Airplanes paints a stunningly diverse soundscape using both electronic and acoustic instruments. From the opening notes of homecoming weekend in a small town to the haunting finish of lying on a hill, watching clouds on a saturday, Riding Paper Airplanes accompanies the listener on a journey through songs rich with emotional and musical content. My object was to convey a feeling to people, rather than a story or a message, comments John Wu. The effort takes the listener to new concepts, while retaining a familiar base of compelling rhythms and melodies. Resulting responses confirm the effect: I feel like Im in a dream, comments one listener. Its soothing to my soul, writes another. The self-titled debut of Riding Paper Airplanes is sure to please listeners looking for something fresh and adventurous, and is a promising sign of things to come.
