Emotionally charged rock with hints of quirky new wave, smart arena rock and dashes of narcotic weird pop. 13 MP3 Songs POP: 70's Pop, ROCK: 70's Rock Details: With the release of Ruston Mire's second full-length album, "Driving Straight Up In Siam" (Roam Records), it's evident that the band has no intention of resting upon their laurels. As an anxiously awaiting fan base continues to scour club listings and radio dials, the Mire has prepared and is now delivering what is arguably their best material to date.
