A ribald, no-holds-barred look at today's political scene. Listen as "W" sings about being "home on the range", as Karl Rove issues instructions, as Dick Cheney brags about plundering the Artic preserves, and much more. 12 MP3 Songs FOLK: Political, SPOKEN WORD: Comedy Details: In todays world of political correctness, nothing is more refreshing than an unabashed, no-holds-barred glimpse at the truth. The Freedom Toast delivers! Utilizing well known tunes with slightly altered words, The Freedom Toast ensemble lets their hair down as they bring a ribald but brutally honest look at todays political scene. No one is spared, especially those in power. Come with us as we visit Ws ranch, where three-syllable words are barred. Listen as Karl Rove reminds us that long after the current guys are gone, hell still be hard at work. Get the insider's glimpse of Dick Cheney making it clear what the agenda will be. Sneak a peek at the oil barons gleefully counting their newfound billions. And is that who it SOUNDS like, singing "Home on the Range?" Is he allowed to do that while in office? This is a CD, not a White House shower stall. No matter, listen and find out! The album is guaranteed to bring a laugh, no matter what your political persuasion!
