

# Mp3 Ultra Pulverize - Gorillas In The Fist

[DOWNLOAD HERE](#)

ULTRA PULVERIZE is a futuristic electronic music squad searching for crowds and power outlets. Imagine a cross between Devo, the Beastie Boys, and Nine Inch Nails. Distorted drum machine, Korg mono/poly, irate lyrics. 12 MP3 Songs ELECTRONIC: Dance, ROCK: Punk Details: Gorillas in the Fist is a 2-disc entertainment package consisting of the album on CD and a DVD with short films including the "I'm On Wheels" music video. ULTRA PULVERIZE is made up of Tony Robot on the beat machine (played by hand, not programmed), Korgenbutz on the vintage Korg mono/poly synth, and Ultra on the mic. Critics have hailed ULTRA PULVERIZE as sounding like "a cross between Devo and Black Flag" and "Nitzer Ebb meets the Fat Boys". The result is a futuristic, angry, electronic punk sound with a sense of humor.
