My favorite country artists are Keith Urban, Alan Jackson, George Jones, Keith Whitley, Merle Haggard and several others, from the Old School. 5. My friend Charlie Gray, who is now deceased, supported me the most and he also wrote some of my songs. 6. The biggest event that I have played is the Texas Childrens Festival in Cleveland, Texas last year. Roy Head was the headliner. 7. The most satisfying gig was the Heights House in Houston, Texas. This is one of the retirement centers I play for. In fact, every time I play and sing, it is very very rewarding. In May, I sang two songs at Huey Longs 105th birthday party in Houston, Texas. I was very pleased to have been a part of this party. He was the lead singer for a group called The Inkspots, back in the 50s and 60s. 8. I gave a CD to a fan when I played at a Masonic Lodge Christmas party last year in Huffman, Texas and the lady was so excited, you might have thought that I had given her hundreds of dollars. I have a fan in Italy, where my song Final Dance has been number 2 on the

internet charts for about two months, he signed my guest book. He invited me to come to Italy and play for them. 9. I have myself and James Dousett in my band. He plays guitar and sings to give me a break. I sing with my CDs as a band and sometimes we sing together. Some day we would like very much to have more band members.
