

Mp3 Yancuic - Yancuic

[DOWNLOAD HERE](#)

Deep, DEEP Downtempo grooves from the evolved imagination of Yancuic. 10 MP3 Songs in this album (53:23) ! Related styles: ELECTRONIC: Chill out, ELECTRONIC: Down Tempo People who are interested in Enigma Tangerine Dream Vangelis should consider this download. Details: New from Seventy Three Records is a gloomy down tempo excursion into electronica with Yancuic. Synthesized IDM at it's best is just a click away. Fans of Yancuic have compared him to Vangelis or Enigma... For good reason, Yancuic creates a world of melodies, synth pulses, groovin' beats and inter-twining arpeggiated synths. But Yancuic takes electronica a step forward with flowing song structures creating a sense of the entire album being one awesome groove movement. It's sure to find it's way into the collection of every Down-Tempo aficionado.
