I struggled for years to earn any type of decent money with affiliate programs. I believe at one stage the most I ever earnt in a month was just over \$5! I can still remember my first sale, I was over the moon. It wasn't even enough to buy me a domain name but it was still my first sale! I struggled for 2 years, patiently working away night after night, trying to find a way I could finally make a living online with affiliate programs! The day did come, but not until I wasted thousands of dollars and countless hours and almost had a nervous breakdown.... After trying everything under the sun and every "guru" recommended process, I finally found a method that worked for me, and everyone else I showed it too. After years of testing, I found a viable way to work from home solely with the income from the affilite programs I was promoting.
