

The Lobster Chronicles: Life On A Very Small Island - Linda Greenlaw

[DOWNLOAD HERE](#)

Declared a triumph by the New York Times Book Review, Linda Greenlaw's first book, *The Hungry Ocean*, appeared on nearly every major bestseller list in the country. Now, taking a break from the swordfishing career that earned her a major role in *The Perfect Storm*, Greenlaw returns to Isle au Haut, a tiny Maine island with a population of 70 year-round residents, 30 of whom are Greenlaw's relatives. With a Clancy-esque talent for fascinating technical detail and a Keillor-esque eye for the drama of small-town life, Greenlaw offers her take on everything from rediscovering home, love, and family to island characters and the best way to cook and serve a lobster. But Greenlaw also explores the island's darker side, including a tragic boating accident and a century-old conflict with a neighboring community. Throughout, Greenlaw maintains the straight-shooting, funny, and slightly scrappy style that has won her so many fans, and proves once again that fishermen are still the best storytellers around.

Author: Greenlaw, Linda
Publisher: Hyperion
