What are the odds that two different brothers will find the man of their dreams in one summer? What are the odds that those two brothers will both like men? The Thatcher brothers will make you forget the odds. In this double novella, each brother tells his own tale. There's Jed, pilot and all around good old boy, gets more than the one night stand he bargained for with an adrenaline pumped smoke jumper who makes him as horny as he does crazy. And Ross, Airborne jump instructor and man's man, finds a sweet young thing he can't resist, and follows in his big brother's footsteps. Likeable men, hot sex, and a great sense of detail make these brothers believable, even when you think the odds are against them. Graphic
