jazz/blues influenced acoustic folk music. 12 MP3 Songs FOLK: like Joni, FOLK: Political Details: "Alice's music has that great combination of earthiness and groove that keeps it funky from the inside out. She's for real." Bonnie Raitt "Alice's music has that great combination of earthiness and groove that keeps it funky from the inside out. She's for real." - Bonnie Raitt The Oregon-based folk singer-guitarist's octave-leaping voice recalls Rory Block's in it's gorgeous elasticity and Tracy Chapman's in it's warm resonance. She uses it like a knife to cut to the emotional core of blues standards like "Trouble In Mind" and such self-penned odes a "Like A Picture" (about the plight of Earth First! activists Judi Bari and Darryl Cherney) and the brilliantly sardonic "The TV Song." "Naked," Di Micele's latest CD on the Alice Otter Music label, is highly recommended. (East Bay Express, Berkeley, CA) We're proud to carry all SIX of her CDs on CD Baby! Get more than one...
