New age/concept motions track. 13 MP3 Songs NEW AGE: New Age, WORLD: World Fusion Details: Beyond The Silence is created by a group of visionaries with the purpose of explaining some of the truths behind creation and life throughout the use of audiovisual concepts, including film, live music, dance, theatre, pyrotechnics, and subliminal messages. The project had its birth in the hands of the producer and clinical hypnotherapist Germaen Herrera, an expert in hypnotic regressions and subliminal music, and the collaboration of Julio Espineira, an investigator of occult sciences and agnostic knowledge. Both of them developed a unique teaching based on studies made on personal experiences with regressions, others have been taken from the legacy of Djwhal Khul, Helena Petrovna Blavatsky, and others. This thematic is about the experience of a person who dies and after realizing that death hasn't happened is led by astral entities through the different stages of existence.
