Mp3 Bloomsbury People - Rock: Psychedelic

DOWNLOAD HERE

Psychodelic Rock. The roots of the Progressive Rock Movement. This album originally recoreded in 1970. 14 MP3 Songs ROCK: Psychedelic, ROCK: Progressive Rock Details: Announcing the re-issue of "The Bloomsbury People", Sigmund Snopek's first album now available on CD. Originally released on MGM in 1970, the record showcases the band's driving beat and versatile sound. The Bloomsbury People was an important band in the late 1960's psychedelic/progressive music movement, playing to over 500,000 people at the Atlanta Pop Festival alongside Jimi Hendrix and other 60's icons. Now, after 30 years, this cult classic is available on Compact Disc. The CD includes three bonus tracks - "Gingerbread Man", "Madeline" and "Saga of the Red Sea" - never previously released to the general public. All the songs have been digitally re-mastered to the highest quality available. This seminal album is a must for anyone's Snopek collection, and for fans of the best on 1960's vintage, progressive rock.
