Energetic Pop-Punk-rock (with Horns) that will knock you on your can. 10 MP3 Songs ROCK: Punk, ROCK: Ska Details: Branded, pop-rock-punk from Detroit, MI debuted its reckless creativity and musical flair with 'Jump Start', (Goldtooth Records 2000). Combining alternative influences Green Day, Sublime and Zebrahead, with the fiery brass from Reel Big Fish, Jump Start molds a combination of punk, rap and a reggae into 10 zany songs reflecting on everyday life. Ever lock your keys in your car; get dumped; been apart from your girl, or just like to practice safe sex? Yep, Jump Start's got it. Combining spotlighted tracks 'When I'm a Away', 'Locked Out' and 'Junkie', Branded unleashes originality through powerful harmonies, extreme guitar riffs, and upbeat rythms. Brothers-Jay(vocals), Shane(guitar) and Robby (Cans) created Branded in 1997 along with high school friends Bill(bass), Brent(trombone)and Joe(Sax). Look for a follow up album from these guys in 2002.Check out the song 'Why Me' here on Garagebandfor a little preview!
