Emotive modern rock with accessible hooks and lyrical depth. 12 MP3 Songs ROCK: Modern Rock, ROCK: 90's Rock Details: Catharsis is defined as "producing an emotional purification, spiritual renewal, or release from tension." While that's a heavy bill for a band to back up, based on what I've seen so far there's no telling what this band might be capable of. The depth in their songwriting is significant, as is their convincing live performance. Flaherty's emotive vocals soar over a modern, compelling sound that could, in time, end up on airwaves across the country.
