

Mp3 Cutpharmers - And Then There Was Sound...

[DOWNLOAD HERE](#)

A perfect blend of analog and digital beats, live recordings, and skilled emcees makes this an instant classic. All original beats from hip hop to techno to live freestyles, Area 54 studio touches ground with a solid release. 11 MP3 Songs HIP HOP/RAP: Alternative Hip Hop, ELECTRONIC: Techno Details: The eagerly anticipated 3rd release is here and packed full of groundbreaking new beats and polished lyricism. This album seamlessly blends live and digital components together in a way only possible in our new Area 54 Studio. From Hip-Hop to techno to live jams, the time lapse since the last album only proves the dedication to improvement and originality. Cutpharmers have done it again. Back for round 3 is Kenneth Rankin(digiholic,Inventor Keano), Bernie Saujon (Grad B, Admiral NoName from Beyond), Andre Simm (A-static), and Tito Walker. This album also has guest appearances by NFARed, Mark Moore, Trey Zarecor,and Katelyn Stringer. Check the website for a breakdown of individual tracks and who is playing what instrument where. Thanks for the Support.
