

## Mp3 Fahren - My Soul

[DOWNLOAD HERE](#)

Spinning off of her freshman solo album my story, Fahren does it again, delivering smooth vocals and harmonies entwined with inspirational lyrics. Definitely a summer groove. 1 MP3 Songs in this album (4:04) ! Related styles: URBAN/R&B: Neo-Soul, URBAN/R&B: Urban Details: Fresh from the release of her 2007 freshman album Fahren - My Story, Fahren is back with her new digital release My Soul. This CD single is an interlude to her upcoming EP Project Coming from my Soul. Fahren's sound is truly unique and unlike any artists you have heard to date. She casts a refreshing mood, a unique sound and positive message, which leave the listener encouraged and entertained. Her eclectic-soul and rich R&B sound, embody many musical influences of old and new. With a laid-back lyrical style, Fahren continues to create and deliver music that will transcend time, gender and genre.
