Georgette Atsedes' music is theologically sophisticated, hauntingly beautiful, and unusually honest. There is a reflection of true character in her voice and a reflection of passion for God in every verse. And all with a joyous display of the Celtic, rock, and folk accents that reach the heart. I loved it." Stephen Mansfield, Author, Former Senior Pastor Belmont Church, Nashville, TN "I love Georgette's heart and her voice is just beautiful. She is a daughter of the God of this universe and her music builds you up in your identity in Christ while at the same time ushering you into her Father's presence. Georgette's music captures the grace of God which not only forgave us of our sins, but brings us the hope and victory today by giving us new life in Christ. Way to go, Georgette! I love the way Jesus lives His life through you!" -Lee Whitman, President Grace Ministries Tennessee, Nashville, TN "Georgette Atsedes touched my life with her music. In the Summer of 1999 my life was changed by an encounter with her CD "Heart Cry." Within the songs on that powerful album lay jewels of understanding of the grace and sustaining love of our Savior JESUS CHRIST. In a moment in my own life when I was discouraged and wandering from God, the Lord used Georgette's music to strengthen me to continue on the narrow road.

In the year 2000, the Lord opened the door of full-time ministry to me as a pastor in Ithaca, NY. I thank Him daily for the mercy He has shown me, and for the music that played no small part in keeping me directed toward Jesus during those trying times. Georgette has discovered, through personal experience, the strength God has available to us in moments of pain and struggle. Out of her trials, God has birthed in her a wisdom and humility beyond her years. It is this essence of developed character that has anointed each song on her album, and has molded her into a vessel that seeks to worship God for His name's sake. It is His presence that is evident in her music and life; it is His heart that has drawn her into a depth of fellowship with Him that echoes in her very being, and speaks out through her songs. God has made a disciple in Georgette, and it has been my privilege to see, share, and be blessed by His work in her. Needless to say, I wholeheartedly recommend Georgette's concert ministry to any church and/or pastor who desires to see the Spirit of God move in our Lord and Savior Jesus Christ through Georgette's music. You will be blessed! -James "Chip" Adams-Compton, Pastor Agape Bible Church, Ithaca, NY
