Soulful Rock Roll music with influential Blues...uplifting and entertaining music with a positive message. 8 MP3 Songs ROCK: Modern Rock, BLUES: Rockin' Blues Details: Good-bye Blue Monday is Josh Cassidy, Joey Cassidy, Andy Jones and Ed Maldonado -- four guys who simply love to play music. Their blues/rock style has been influenced by many great artists, including Eric Clapton, The Dave Mathews Band, U2, and the Beatles. However, GBM has a sound all their own: a dynamic and unpredictable blend of electric guitars and gentle acoustics that continues to draw an enthusiastic response from a broad range of musical tastes. More importantly, the uplifting and encouraging message in their music has proven to be accepted by audiences of all ages and backgrounds. The band has had the privilege of sharing their music in the public sector, performing at bookstores, malls, state fairs, community events, colleges, coffee houses, and in competitions, before crowds of every size, age, and demeanor. Time after time, performance after performance, these audiences have been captivated by GBM's energetic and entertaining style. The members of Good-bye Blue Monday share a passion for music that is easily seen and heard. Their faith and beliefs are the guiding hand in all that they do. GBM wishes to share a positive message, through uplifting and entertaining music, that will break through barriers of age and culture to reach, touch, and change people.
