A collection of music ranging from modern but true flamenco to french Gypsy influenced musics recorded live in Ottawa Canada 2007 8 MP3 Songs WORLD: Flamenco, JAZZ: Gypsy Jazz Show all album songs: Live Fire Songs Details: This is a CD I have wanted to do since I began with this project. My band is very interactive and very dynamic. As much as I enjoy the creative possibilities in a recording studio, to capture the live feel of my band is what I have been working on for many years with many attempts. At last I feel I had the right combination of technical people as well as musicians to get a high quality recording of the great guys in my band. Shane Simpson, Jack Macgregor, Mike Tourine Zeke Gross all worked hard to get a sterling performance at one of Ottawa's most prestigious concert halls. This is 45 minutes of my best material all original and intensely played well recorded. I hope you enjoy it as much as we did making it. James Cohen
