

Mp3 John Schindler - Two-step Man

[DOWNLOAD HERE](#)

Witty, poignant, irreverent slice of Americana. 11 MP3 Songs in this album (42:12) ! Related styles: FOLK: Modern Folk, COUNTRY: Americana People who are interested in Leonard Cohen Greg Brown should consider this download. Details: Originally from Saint Louis, Missouri, John was influenced early on by that town's rhythm and blues and his Oklahoma mothers singing. This funky start was drastically tempered by a nine-year stint in a Catholic seminary where silence and Gregorian chant were his daily bread. After leaving the brotherhood, and armed only with his vow of poverty, John moved to New England and pursued the path of an itinerant musician, playing in sundry bands and bad barrooms. It was during this time, he realized, that his audience could not understand Latin. Winner of both the 2003 Boston Folk Festival Songwriting Contest and the 2006 Rose Garden Coffeehouse Song Contest, John has also been a finalist in many other song contests. His CD Memory Train was CD of the Week on Chicagos WFMTs Midnight Special. John lives in Jaffrey, NH Boothbay Harbor, ME with his wife, Jane and 2 cats, Godzilla Iko.
