Intimate, intoxicating cd starts grooving from start to finish. The guitar truly is Kevin's voice and that comes blazing through. He is a provocative player whether you listen to him playing smooth jazz, soul, rhythm and blues or burni 14 MP3 Songs JAZZ: Smooth Jazz, BLUES: Jazzy Blues Details: Kevin Russell's Bio Kevin Russell's perseverance is evident on his latest recording project "My Generation" this intimate, intoxicating cd starts grooving from start to finish. The selection of songs he has recorded is inspiring, poignant, expressive, and long time favorites of all ages. In his words "this music is the backdrop of my personal life as well as my life's work as a musician." Kevin's appreciation of these classic songs shines through in the sweet guitar tones he plays. The guitar truly is his voice and that comes blazing through. You get sucked in and realize how important it was to him to stay true to the melodies and arrangements when playing homage to the original artists and music that has been so influential in his career. "My Generation" is a recording that all audiences can relate too. Kevin is a contemporary artist known in hip musical circles and by fans worldwide. He is a provocative player whether you listen to him playing smooth jazz, soul, rhythm and blues or burning rock guitar. His versatility and daring spirit are always apparent in his playing. Kevin has been a well respected player for many years by innovators in the music industry and fans alike. Kevin has always believed you must grow musically and continue to strive forward and always remember the best is yet to come. He will continue to develop new ideas musically and touch audiences worldwide. Twenty-four years after releasing his first album Kevin is considered a wonderful guitar player as well as a singer, songwriter and record producer. He has produced numerous projects for other artists; he also has his own record label and recording studio. A project you can expect to hear about in the near future is a collaboration of various artists putting a concept together for a show that fans will remember for many years to come. In talking with long time friends, other artists, and fans

they all seem to share a common view, which is whether you are listening to a Kevin Russell original or a classic tune he has covered you feel his heartbreak, struggles and triumphs that connect us all to the music .I think Kevin says it best "music is the true healer and backdrop of our lives. We must continue to create and share the music."
