Funda-mentally fresh and purely Christian-conscious hip-hop. a.k.a. Christconscious hiphop. Thought provoking real to life lyrics from the perspective of a spiritual disciple of Christ. 15 MP3 Songs HIP HOP/RAP: Spiritual Rap, HIP HOP/RAP: Hip Hop Details: I am Knowledge a.k.a. Knowledge of Christ. I was born in New Orleans, Louisiana and moved to Pueblo, Colorado when I was 13 and have been here ever since. I am a Believer in the bible and I daily follow my Lord and God Jesus Christ. I have been a christian since I was 15 and started rapping very soon after. That was seven years ago. My music is a representation of my life and the things that I see as a person and as a christian. My goal is to make quality music that is real to the experiences that I have had as well as glorifying to God. One of my main goals in life is to learn as much as I can and share my learnings with others through my music. Philippians 3:10-11 states my mission when Paul say "That I may know him and the power of his resurrection, and may share in his sufferings, becoming like him in his death, that by any means possible I may attain the resurrection from the dead." And then in Proverbs 1:7 King David says "The fear of the Lord is the beginning of Knowledge; fools despise wisdom and instruction. Many people know in their hearts that God is real but they don't know anything about him. I attempt to show how he is everpresent in our lives, guideing us and calling us to live an abundant life.
