

# Mp3 Mark Mahoney And M. Peck - The Gallery Of Subtle Smiles

[DOWNLOAD HERE](#)

A curiously crafted balance between the accessible and the mysterious. 8 MP3 Songs ELECTRONIC: Ambient, ELECTRONIC: Soundscapes Details: The latest installment from Mahoney and Peck, "The Gallery of Subtle Smiles" continues to show the evolving soundworks and audible explorations of this genre defying duo. The Gallery of Subtle Smiles offers much to the listener. Weaving dark tapestries of sound coupled with progressive melodies and rhythms that evoke deep emotinal response. To pass it off as merely ambient music is far to easy as "Gallery" is properly more related to modal jazz then anything perceived as electronic.
