This is an eclectic mix of Alt country, Americana and rock. The influences range from Bruce Springsteen and Tom Petty to Merle Haggard and Jimmy Buffet. Topics in this collection rang from good times to hard times from love lost to love found. Enjoy. 5 MP3 Songs in this album (18:44) ! Related styles: COUNTRY: Country Rock, COUNTRY: Alt-Country People who are interested in Tom Petty Jimmy Buffett Keith Urban should consider this download. Details: Maury Davis has spent his whole life in the South and deeply involved in music. And it is that love of music that brought him from a small town in Alabama to Nashville Tn. Where he now lives. Just to be around music and people who love music was the main reason for the move, however Maury found that his love for the craft of songwriting to strong to avoid. I write from a bunch of different places and I think the songs on this EP show that. I want to be someone who is all about finding the heart of the song! You can find Maury playing the rounds in Nashville and any where he can get a gig!
