

Mp3 Neon Sleep - Endormi Et R^aver

[DOWNLOAD HERE](#)

Neon Sleep is a musical project mixing singer/songwriter styled acoustic music with tape loops, deep synth electronica and twisted beats. Eclectic and graceful, emotive and minimal. 10 MP3 Songs ROCK: Acoustic, ELECTRONIC: Ambient Details: Neon Sleep 'Endormi et rever' neon sleep is the creative vision and recorded output of 21 year old musician and performer rob ashworth. mixing singer songwriter styled acoustic music with tape loops, deep synth electronica and twisted beats rob hopes to create a personal and unique sound and to make music that will be remembered and cherished. eclectic and graceful, emotive and minimal. 2005 saw the launch of neon sleep as a performing live band with a much more intense and heart achingly beautiful take on the songs that will make your ears bleed. 'endormi et rever' goes on sale monday 14th march 2005 "Rob I enjoyed listening to your music, put me in a nice place" - Roger O'Donnell, The Cure "If great art depends on binary opposites, then Neon Sleep's moulding of dark and light may achieve being just that - great art." -- National Student Newspaper "Rainy days and steamed up windows are documented by Argos guitars and lo-fi synths and chimes... ...clever arrangement elevates it to a higher (rain) cloud" - Manchestermusic "There are hints of the twinkly bells of alterna-pop romance, like The Magnetic Fields, but also the dissonant chords and keyboard noises of heavier bands, like Nine Inch Nails... ...I find myself not listening at all, lulled into a musical reverie that is largely hookless, like the best Moby and Aphex Twin instrumentals" - La Plume Noire Webzine
