no more. Wanna void this frustration, Building inside of me. I've gotta go baby, Can't hang around in here
no more. My longing is groaning, aw baby. Uuh the boning need in me is moaning. Oh, oh can't fight the
funk no longer. To be released has grown stronger. I've gotta go baby, Can't hang around in here no
more. Wanna void this frustration, Building inside of me. I've gotta go baby, Can't hang around in here no
more. Uuh need to relax this forceful pressure. Help me go baby, I've gotta find pleasure. Baby I can't
hold back no longer. Gotta satisfy this starved hunger. I've gotta go baby, Can't hang around in here no
more. Wanna void this frustration, Building inside of me. I've gotta go baby, Can't hang around in here no
more. Baby I want you to verify. Yeah I need you to signify. Uuh if you intend to satisfy. Aw declare by
saying I, Say I, say I, aw yeah. I've gotta go baby, Can't hang around in here no more. Wanna void this
frustration, Building inside of me. I've gotta go baby, Can't hang around in here no more. Lyrics Written

today, sobbing tomorrow, About our daily joys and sorrows. Laughing and crying in the sun, Just being in
love and having fun. Laughing and crying in the sun. Oh darling when I met you I needed the fun. Yeah I
still recall some good moments honey, Walking in the sun kissing and holding hands. Making all soughts
of future plans, it's funny. How quickly time pass. We knew our love would last. Seasons changes so very
fast. What was happy now is sad. Yesterday makes us mad reflecting back onto what we had. Once
innocent like a child we shared a tear and a smile. Laughing and crying in the sun, Just be in love and
having fun. Merry today, sobbing tomorrow, About our daily joys and sorrows. Laughing and crying in the
sun, Just being in love and having fun. Laughing and crying in the sun. Rejoicing and weeping flows from
above. Shinning down brightly upon our dear love. Watering us as flowers. We continue to grow in the
garden of life, But a moment in paradise. Laughing and crying in the sun, Just being in love and having
fun. Merry today, sobbing tomorrow, About our daily joys and sorrows. Laughing and crying in the sun,

Broadcast Music, Inc. MY HEART IS ON THE LINE*: Baby I've got no solid protection. Always thought
love would grow to perfection. But I took a chance in the wrong direction. Now I can't get use to the
rejection. If you can find it in your heart, Baby for us not to be apart. Sugar this love is binding. You won't
be finding better love. Cause my heart is on the line. Risking it all to make you mine. Cause my heart is
on the line. Risking it all to make you mine. Honey I'll be dependable and devoted too. I'll be fair in every
way to you. Sweetheart with all of my might we'll be tight. Darling you can forever trust me to do right. If
you can find it in your heart, Baby for us not to be apart. Sugar this love is binding. You won't be finding
better love. Cause my heart is on the line. Risking it all to make you mine. Cause my heart is on the line.
Risking it all to make you mine. Baby you have got to believe. Confidence is all you need. I promise
honesty and loyalty too. Darling above all true to you. Cause my heart is on the line. Risking it all to make
you mine. Cause my heart is on the line. Causing it all to make you mine. Lyrics Written By: Oliver A.
