You get The Galilee Project. October 2005 marked the beginning of a new era in the history of the 50-year old Galilee Baptist Church. Never in the history of this ministry had a live recording project been undertaken, but when timing and vision come together...destiny is birthed! The Galilee Project represents the collective efforts of the Pastor, music ministry and members of the Galilee Baptist Church. This project will take you from level to level as the choir reminds you of the hope, love and power that are in Jesus Christ. Join The Galilee Mass Choir as they usher you into the presence of God and help you renew your praise and worship. The choir comes in strong with the praise anthem, "Shout for Joy." Written by Producer, Robert Burwell, this selection will easily start your day the right way. Then prepare for an out of this world worship experience as the choir says, "Thank You." Another God-inspired original selection, this one by Pernell Spence (Minister of Music), this song will stir up your praise and thanksgiving for God. Then the Psalm 27 based, "The Lord is My Light" gives you new boldness to live as the choir reminds you that your enemies "stumbled and fell." As the worship segment gets into high gear, join the choir as they seek God's favor for Kingdom work in the stirring, "My Desire/Use Me." You will truly be in "His Presence" as the choir continues ushering you closer to God. They take you back into the high praise and rhythmic beats of classic contemporary gospel with "I Made A Vow," encouraging you to stay committed to the cause. At the pinnacle of this praise experience, they lift the timeless "Just to Behold His Face" with power and true worship. A refresher of "Thank You" leads into a Praise Break that rounds out this project. A complete experience, The Galilee Project is poised to help refine the sound of gospel music. The Galilee Mass Choir is a compilation of 7 of the 8 choirs within
