BLUES: Blues Vocals, **GOSPEL:** Country Gospel Details: Tina Sadler Ministries "God is Good, Yes He is, He's Good All the Time..." If you've seen or heard the Gaither Vocal Band sing this Dove Award winning song, then you've already been touched by the heart, soul and music of Tina Sadler. This spirited anthem of the Church is just one in a long string of hit gospel songs penned by this talented lady from Poplar Bluff, MO. Tony Gore and Majesty enjoyed a number one hit with "Meanwhile in the Garden" and the Wilburns brought the house down night after night with "Something in the Upper Room". Both are Tina Sadler songs. The list goes on and on with songs like "All Consuming Fire", "Looking Through the Eyes of Love", "The Holy Spirit Prayed", and her latest hit, also recorded by the popular Gaither Vocal Band, "He's Watching Me". As you might begin to expect, her songwriting credits are far too numerous to mention them all here, but in 2001 the Gospel Music Association honored her with a Dove award for "God is Good All the Time", and in 2002 it was another Dove for Tina for "He's Watching Me". Like many singer/songwriters, Tina started singing in the little church where her family attended, and she was soon singing for youth rallies, revivals and such. Even as a child, music was her heart and soul. Not content to just sing the songs in the old hymnals and songbooks, by the time she was fifteen, she was writing her own songs. Tina's talents are not limited to songwriting. God has blessed her with a voice to sing the songs too, and she's one of the most powerful singers to ever grace a concert stage. She has appeared in concert with many of the top gospel groups in the country - artists such as Gold City, Squire Parsons, Wilburns, Stella Parton, the Hemphills, the Hinson, Kingsmen, and Betty Jean Robinson. Tina has recorded four projects over the past few years,

the latest being "Deep Waters". Produced by John Rowsey of Karen Peck and New River, this project contains eleven songs, nine of which she wrote, and it's bringing ministry into the lives of those who hear these anointed messages. She and her husband Bill travel full time. Tina also ministers the gospel in Word and is a much sought after speaker; especially in women's conferences. If you want to be blessed, if you want your church blessed, schedule her today.
